### Written Testimony

support Chair Martin's proposed \$3,840,000 amendment to Bill 14 for the reimbursement of the purchase of Aiea Sugar Mill to allow for expanded public purpose and uses. I am a resident of the community and I feel that the budget restriction is not allowing the development of this area for its residents. If this bill its passed the community will have more options on what could be developed in this area, such as community park,etc. Thank you for the opportunity to testify in favor of this amendment to Bill 14.
